MidTerm Elections

The background of the slide is a faded, light-colored image of the United States Capitol building in Washington, D.C. The building's iconic dome and neoclassical architecture are visible, set against a bright sky. The image is semi-transparent, allowing the text to be clearly legible.

- Leadership Changes
- House seats –Final TBD, but likely 2-5 seat GOP Majority
- Senate seats- Final TBD, Dem control with 50 or 51 seat Majority
- Implications
 - Immediate: FY23 Appropriations
 - Next Year: Fiscal Restraint, Rebalancing of Research Priorities

NASA EPSCoR Authorization

- NASA Reauthorization

- House SST Committee

- Hearings

- Draft language

- Research Infrastructure Development—20 percent
 - Research Implementation—50 percent
 - Special Awards—20 percent
 - No more than 10 percent of funds authorized under this title shall be set aside for NASA EPSCoR only program administration, assessment, and reporting which shall account for all NASA supporting capability and infrastructure costs including the annual NASA EPSCoR TIM and NASA EPSCoR STIMULI document under three components: direct costs attributed to NASA EPSCoR comprising support service costs and civil service salaries and benefits, allocated indirect center and facility general and administrative costs, and allocated indirect headquarters general and administrative costs.
 - Authorizes Appropriations of \$32,000,000 for FY23 and scales from there

NASA EPSCoR Funding

The background of the slide is a faded, light-colored image of the United States Capitol building in Washington, D.C. The building's iconic dome and neoclassical architecture are visible, along with some trees in the foreground.
