Amended 7-21-2014, 10-07-2019, and 11-18-2022

PREAMBLE

Whereas the function of the NASA Established Program to Stimulate Competitive Research (hereinafter referred to as NASA EPSCoR) Caucus (hereinafter referred to as the Caucus) is that of a support agency for NASA's EPSCoR program, and the Directors who are charged with the leadership of the programs within the eligible jurisdictions, and who constitute the membership of the Caucus; and

Whereas, the Caucus shares with NASA the goal of establishing an effective network of persons and institutions committed to the realization of the Nation's fullest potential in the development and effective utilization of the Nation's space- and aeronautics-related resources and technological and scientific competencies; and

Whereas the accomplishment of these objectives requires the establishment of orderly governance procedures, by which the Directors can effectively contribute their energies and talents towards a common goal,

We, the Directors, hereby adopt these Bylaws to define governance procedures of the Caucus.

Article 1 -Meetings

- 1.1 The Chair shall be the presiding officer at Caucus meetings. If the Chair is unable to attend the Caucus meeting, the Chair may designate one of the members of the Executive Committee to preside over the meeting. In the event the Chair is unable to make this designation, the Executive Committee will select one of its members to preside over the meeting.
- 1.2 Meetings shall be held at least once each calendar year.
- 1.3 Other meetings may be called at the discretion of the Caucus or by the Chair at the direction of the Executive Committee.
- 1.4 The Directors shall be notified by the Chair or other member of the Executive Committee in writing of the time, place and proposed agenda of each meeting at least 30 days in advance. Electronic messages are an acceptable form of written communication.
- 1.5 A quorum shall consist of a simple majority of the Caucus members.
- 1.6 The conduct of all meetings shall be governed by the current edition of *Robert's Rules of Order*. In the event of conflict between *Robert's Rules* and specific terms of the Caucus Charter or Bylaws, the Charter and Bylaw terms shall prevail.
- 1.7 The Secretary shall provide the Chair with a suitable permanent record of the minutes of each meeting and shall act as parliamentarian.

Article 2 - Voting Procedures

- 2.1 Each jurisdiction shall have one vote and shall designate one Director as the official

Bylaws

- 45 member of the Caucus.
- 46 2.2 Any Director may notify the presiding officer at any meeting of the Caucus that an
47 alternate person from within the respective jurisdiction is to represent the jurisdiction's
48 directorate in all matters before the Caucus at the specified meeting, including casting
49 votes, except that the alternate cannot serve as an officer or member of the Caucus
50 Executive Committee.
- 51 2.3 By written proxy any Director may authorize a representative of another jurisdiction to
52 cast a vote on behalf of the absent jurisdiction.
- 53 2.4 A simple majority of the membership shall constitute the quorum necessary for Caucus
54 action.
- 55 2.5 The Caucus may from time-to-time conduct votes a) by written solicitation or b) by a call
56 for response at a meeting of the Caucus or c) by email solicitation. In the event that a vote
57 taken in a Caucus meeting is inconclusive in that the votes of those not present would be
58 sufficient to affect the outcome, the Chair may seek supplemental mail/phone votes from
59 unrepresented jurisdiction to complete the balloting and to determine a definitive action
60 by the Caucus. If there is a quorum present, then the result of the vote should be final.
- 61 2.6 Any one member in attendance at a meeting may require that a formal vote count be
62 recorded in the minutes.
- 63 2.7 When a vote of a Director is required in a committee, subcommittee, working group, or
64 other meeting related to EPSCoR Caucus that takes place simultaneously with other
65 Caucus meetings, thereby preventing the Director from attending, the Director may notify
66 the chair of the respective committee that a designated alternate from the respective
67 jurisdiction will represent the jurisdiction's directorate in that committee, subcommittee,
68 working group or other meeting. Such designated alternate may serve in any capacity up
69 to and including the chair of the committee.
- 70 2.8 The National NASA EPSCoR Caucus can assess dues from its members as necessary.
